

**St. Mary of the Lakes Catholic Church and School
Parish Religious Education Program**

**Parent Handbook
Revised July 2016**

July 2016

Dear Parents:

Welcome (back) to PREP! Whether this is your first year of religious education or your eighth, we hope this Parent Handbook will facilitate communication of the policies and practices of the St. Mary of the Lakes Catholic Church and School's (SMLCCS) Parish Religious Education Program (PREP) and answer any questions you may have. SMLCCS PREP recognizes that you, the parent, are the first and foremost educators of your child(ren). The following quotation, taken from the *General Directory of Catechesis*, defines your role in your child's faith development, as well as the partnership that is the foundation of our program:

The witness of Christian life given by parents in the family comes to children with tenderness and respect. Thus, children...live in the closeness of God and Jesus made manifest by the parents in such a way that this first Christian experience...lasts throughout life. This childhood religious awakening which takes place in the family is irreplaceable.... And this is made even more powerful when parents connect it to the methodical catechesis their children receive in the parish program.

At St. Mary of the Lakes, we strive to create a positive atmosphere that allows for the ongoing faith formation of all students. For us, sharing our faith is a privilege and a joy. Our curriculum uses the *Catechism of the Catholic Church* as its foundation, source, and inspiration. Liturgy, scripture, and lived experiences are the three sources through which our children are invited to encounter God with a deeper awareness of the meaning of God's unique love for each child. Here, your child will come to know and love God and then grow in the knowledge of how he/she can serve God by serving others in the community and in the world.

PREP classes address the contemporary concern for education in morality and values. Students learn that they are images of God and that truth, love, respect, peace and justice are what it means to be a Child of God. ***We also stress that weekly attendance at our Sunday Liturgy is by far the most important way that you, as parents, can form your child in the Catholic Faith.*** Weekly attendance at PREP classes and weekly participation in the Mass are both necessary to enable them to flourish in their faith.

May this year be one in which we work together to lead the children of our Parish to a greater knowledge and love of God!

Sincerely in Christ,
MaryPat Scordato

General Policies

A. Registration and Re-registration

Registration for September classes begins in June and can be made over the summer months. Early registration is recommended if a special day of the week is required, especially with regard to special needs, carpool considerations, and class requests.

All information must be updated when re-registrations are completed. The registration fees and sacramental expenditures (for First Eucharist and Confirmation) are due at the time of registration. Payment is to be made by check or cash; we are not set up for credit card payment.

Baptismal certificates are required for all new registrants. Any student transferring from another Religious Education Program must present a letter of transfer showing attendance and the dates sacraments were received.

Children are expected to attend religious education classes for eight years. Home schooling is permitted for two years in Grades 3, 4, 5, or 6 (Grades 1 and 2 and 7 and 8 are Sacramental preparation years; therefore, home schooling is not permissible).

B. Attendance and Preparedness

Regular attendance at PREP classes is an important factor in deepening a child's understanding of faith through the study of Scripture, Church teaching, prayer experiences, and community. A calendar for the year is found on the Parish Website (smlparish.org) under the PREP tab. We also ask that you check your email frequently for any changes to this calendar that may arise.

When a child is going to be absent, the PREP Office must be contacted at least one hour before class. Parents should email the Catechist to inquire about missed work. If the child has a contagious illness, please advise the PREP office immediately! A child who has **three unexcused absences** may jeopardize the completion of the year's course of study. A parent conference will be requested to discuss appropriate solutions.

Please note: attendance at the weekly Sunday Liturgy (Mass) is the most important way that you, as parents, can form your child in the Catholic faith. Weekly attendance at PREP classes and weekly participation in the Liturgy both are necessary to enable children to flourish in their faith.

C. Arrival and Dismissal

Students are not permitted to enter a classroom before the Catechist is present. No student may leave the premises during PREP classes without proper authorization. If it is necessary for parents or guardians to pick up early, the parent/guardian must sign out the child at the PREP Office. The parent will receive a dismissal slip from the Office to present to the Catechist. The Medford Police Department requires that we know who is in the building at all times!

ALL students are required to be picked up at the classroom by an authorized adult. If another person has your approval to take your child home, *written* permission must be given to the Catechist. This includes carpools, grandparents, and older siblings. If the parent is late, the student will be waiting safely in the PREP Office. Staff members are not allowed to drive children home.

Students are not to open outside doors for anyone. Doors are locked 10 minutes after classes begin and are unlocked 10 minutes before the end of class. In the interest of safety, only doors that are *manned by a volunteer* will be open for parents and students to enter the building. If we do not have volunteer monitors, only the PREP entrance (on Route 70 side) will be used. Parking is not permitted in the Fire Lane along the curb by order of the Medford Township Police Department.

D. Weather Emergency

If local schools are closed due to emergency weather situation, PREP classes will be cancelled. If you have any questions about cancellations, check the Parish Website (smlparish@smlparish.org). Also, if the decision to cancel is made during the day, local schools will be asked to announce PREP cancellation.

E. Field Trips and Playground Use

A Permission Slip approved by the DRE and signed by the parent/guardian must be returned before any student is permitted to attend any activity that takes place off the premises. (Note: PREP students may not use the school playground equipment at any time.)

F. NO Food in the Classrooms

Food is never allowed to be consumed during PREP. Many of our students have allergies and keep EPI pens in the PREP Office. Also, several children who attend our school during the day have severe allergies, so certain rooms have been declared as “clean rooms.” Consequently, food is never to be brought to or eaten during PREP classes. Chewing gum is not ever allowed in the school.

G. Appearance

Students are expected to dress appropriately; specifically:

- Clothing should be mid-thigh or longer in length.
- Clothing that is revealing is not permitted.
- Clothing imprinted with questionable vocabulary, inappropriate images or double-meaning slogans are not allowed. The DRE will decide what is appropriate.
- Cleats, belly shirts, tank tops and muscle shirts may not be worn to class.
- Hats and sunglasses may not be worn in the building.

H. Behavioral Expectations

Students are to behave in a manner that fosters Christian values at all times, demonstrating respect for and working cooperatively with adults and other students. Furthermore, students should actively participate in classroom activities and discussions. They are to attend class regularly; complete any assignments or homework; bring textbooks to class; and treat those textbooks respectfully and not deface them in any way. (A fee of **\$25** will be charged for a replacement book.)

**POSSESSION OF TOBACCO, ALCOHOL, OR DRUGS IS PROHIBITED.
WEAPONS (REAL OR PRETEND) ARE FORBIDDEN ON THE SCHOOL PREMISES.
BULLYING IN ANY FORM WILL NOT BE TOLERATED.**

Our sole purpose is to serve the religious education needs of our children. Consequently, students are expected to participate respectfully and actively in the faith-learning experiences of PREP. If a child's behavior disrupts the learning process, the following steps will be taken:

- First incident: child will be reminded of expected behavior and consequences of misbehavior.
- Second incident: child will be sent to the DRE.
- If inappropriate behavior continues, child will be sent to the DRE and a parent will be contacted for a conference.
- If such behavior continues, action may require discussing alternate solutions with the Pastor.

In addition to protecting the feelings and rights of others, we must also respect school property. While the school belongs to the Parish, the contents of each classroom desk belong to a child enrolled in SML School. If a PREP student takes or vandalizes someone's belongings, he or she must take responsibility for the damage done. If the damage is significant, parents may be asked to replace what has been taken or vandalized.

At no time should anyone sit at or remove anything from a teacher's desk. The white boards mounted in each classroom may be used only under the guidance of a Catechist and for classwork.

I. Cell Phones

Cell phones are permitted but are to remain out of sight. If a student is texting or using his/her personal phone for any reason, the phone will be confiscated, and a parent will have to retrieve it from the DRE.

J. Noise in the Halls

Always knock before entering a classroom. Students of any age are easily distracted, so we ask all parents/siblings to wait outside the classroom quietly until the Catechist releases the children. You are encouraged to wait in the Chapel until dismissal or help out in the PREP Office. ***We have so little time with the children and we take advantage of every minute!***

K. Accountability

In Grades 6, 7, and 8, students will receive "Truths of the Faith," a series of questions (with answers) that they are to study and master as proof of readiness for Confirmation.

L. Communication

If you have questions, comments, or suggestions, share them with your child's Catechist or call the PREP office. We welcome and encourage communication between the Catechist, parents, Pastor, and the DRE.

Sacrament Preparation

First Reconciliation and First Eucharist

The program of preparation for First Reconciliation and First Eucharist begins in first grade and culminates with the reception of the Blessed Sacrament in the spring of second grade. Children are required to attend first grade Religious Education classes before enrolling in second grade.

The First Eucharist program requires parent participation, including a parent meeting in the fall of second grade. At this meeting, parents are given a book on the Sacrament of Reconciliation to assist them in preparing the child for the Sacrament. In spring, a retreat day, either on a Saturday morning or afternoon, is offered to second graders on two consecutive weekends.

First Eucharist is celebrated after Easter. PREP parents will be offered a choice of several Masses over two weekends. Sign-ups are held generally in early December.

Older children who have been baptized, but who have not received First Reconciliation and First Eucharist, will work with the DRE to prepare them for the Sacraments.

Confirmation

The Confirmation Preparation Program is a three-year program that begins in sixth grade. The sixth graders attend a Mass of Initiation early in the school year during which time they vow to take their sacramental preparation seriously.

During seventh grade, students continue the formal Religious Education program, but they are also introduced to a more in-depth study of the Sacrament through the specific lessons on Confirmation. Additionally, each student is obligated to perform service, select a Confirmation name, and choose a sponsor.

The regular eighth-grade curriculum is supplemented with additional lessons on Confirmation. The students must complete a Confirmation Project, participate in a retreat here at the school, and volunteer at a Church-sponsored activity. The Celebration of the Sacrament of Confirmation takes place in the spring of eighth grade.

Students are also expected to master "Truths of the Faith," a series of questions (with answers) on faith and practices.

Curriculum

We use the *We Believe* series, published by Sadlier. This series embraces the four pillars of the *Catechism of the Catholic Church*: CREED, LITURGY and SACRAMENTS, MORAL LIFE, and PRAYER. The series uses a three-step catechetical process: *We Gather - We Believe - We*

Respond. This echoes Jesus' pedagogy of faith: gathering his disciples into community, teaching them, and inviting them to respond. Additionally, each grade level has seven seasonal chapters that help children understand and live the liturgical year. In seventh grade and eighth grade, we introduce the text *Confirmed in the Spirit*.

Furthermore, Father Dan teaches Bible study to all eighth graders as his schedule allows.

Family Life Supplemental Series

RCL Benziger Family Life integrates child safety education into a holistic approach to family life education. In every lesson of every grade level, children are provided with opportunities to develop the knowledge, self-confidence, and assertiveness skills that they will need to recognize dangerous situations, avoid them if possible, and respond appropriately in time of need. Also, the program is designed to help reduce guilt feelings among children, encourage them to speak frequently and freely with their parents and other trusted adults, express their feelings appropriately, and to practice forgiving themselves and others through the following concept repetition and reinforcement:

- Basic safety rules in an age-appropriate manner.
- The difference between appropriate and inappropriate touching.
- To say “no” to any touch or action that causes them to feel uncomfortable.
- How to respond to situations that cause them fear or discomfort.
- The importance of honest communication with parents or guardians and of identifying people they can trust in times when they need to talk to someone besides their parents.

PREP Volunteers

All St. Mary of the Lakes Catechists, aides, monitors, and substitutes are volunteers. Each year approximately 130 faith-filled individuals of all ages and professions offer their time and talent so that our children learn what it means to be Catholic.

In order to be a volunteer in the PREP Program, an individual must complete an application, which is kept on file in the PREP Office. The Diocese of Trenton requires a criminal background check for all lay volunteers (as well as for all clergy, religious, and lay employees). Even if the candidate has been fingerprinted previously for a job or other volunteer activity, he/she must be re-fingerprinted with the correct documentation from the Diocese. If the candidate passes the background check, he/she will be issued a badge from the Diocese; this badge is to be worn at all times when in the building.

Furthermore, every volunteer over the age of 18 must attend a *Virtus* training session, which addresses appropriate and inappropriate behavior toward children. The Diocese also recommends that every Catechist be “certified.” This process is comprised of two components: Methodology (live classes) and Theology (on-line sessions).

The strength of our program depends on volunteers who are dedicated to our efforts. We invite all parents to give serious consideration to participating in this important ministry.
