

## CONFIRMATION COMMUNITY SERVICE LOG SHEET GRADES 6-8

“I have set you an example that you should do as I have done for you.” John 13:15

Students are required to complete a total of 30 hours of community service beginning in 6<sup>th</sup> grade. The hours can carry over throughout the course of the three year preparation program. This sheet should be used to track and record service. **PARENT verification of hours will not be accepted.** A supervisor or leader from the organization where the student has volunteered must sign and verify the hours. In the 8<sup>th</sup> grade year, students are then required to write a 3 page Reflection Paper on the topic of “Servant Leadership”. They are to describe, at length, the service projects they undertook and provide examples of what they did; whom they served; and what they learned from the experience. They should also include why they feel service is an important part of discipleship. *The hours MUST be completed by **December 31<sup>st</sup>** of the student’s 8<sup>th</sup> grade year. The paper is then due by **January 15<sup>th</sup>** of 8<sup>th</sup> grade year.* Students may use more than one log sheet to record hours; they can be stapled and handed in together. Completed hours can be handed in yearly at the end of the school/PREP year and will be recorded in the student record. Once the student has reached the 30 hour mark, the service requirement will be entered into the permanent record as complete. Students are responsible for recording and tracking their own hours.

2018-19 7<sup>th</sup> Grade: If you completed 6<sup>th</sup> grade service, you only have 20 hours left to complete.

2018-19 8<sup>th</sup> Grade: If you completed 6<sup>th</sup> and 7<sup>th</sup> grade service, you only have 5 hours left to complete.
